

WINNERS ANNOUNCED FOR SCHOLARSHIPS 2021-2022!!!

The Wilmington, DE Branch of the American Association of University Women (AAUW) awarded its first scholarship for women to attend college and pursue a baccalaureate degree in 1914 and has continued this tradition for over 100 years. We awarded scholarships to 31 women who are residents of New Castle County for the 2021-2022 academic year. The awards totaled nearly \$100,000. The scholarships are awarded based primarily on financial need, and also consideration of scholastic standing, contributions to the school and community, and results of standardized testing.

We have granted an academic award to the following scholars:
